- Apply appropriate methods to solve problems or address issues.
- Use evidence to justify conclusions.
- 5. Use quantitative methods to solve problems. (**Quantitative Reasoning**) This may include the ability to:
  - Analyze and interpret quantitative information.
  - Apply quantitative concepts and skills to solve real world problems.
- 6. Demonstrate awareness of cultural differences. (**Cultural Awareness**)
- This may include the ability to:
  - Explain how similar actions can be understood differently depending on cultural context.
  - Evaluate the impact of culture on individuals and groups.

7. Demonstrate career readiness skills. (Professionalism)

This may include the ability to:

- Demonstrate personal accountability.
- Meet commitments.
- Demonstrate ethical behavior.
- Demonstrate teamwork.

#### 3D Program Outcomes (PO's)

These learning outcomes meet the goals of Inclusive Post-Secondary Education (IPSE).

| IPSE/PO A. | Students will demonstrate growth in <b>independent living skills</b> .<br>( <i>self-determination</i> ) |
|------------|---|
| IPSE/PO B. | Students will participate in an <b>academically enriched</b> environment. ( <i>academics</i> )          |
| IPSE/PO C. | Students will be active <b>members of the college campus</b> .<br>(campus membership)                   |
| IPSE/PO D. | Students will gain experience leading to competitive <b>employment</b> . (career development)           |

3D Program Learning Objectives (PLO's)

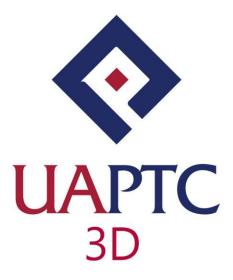

These learning objectives meet the goals of American Culinary Federation accredited programs.

| ACF/PLO 1.       | CF/PLO 1. Students will employ professional <b>uniform</b> practices.  |  |  |  |  |  |
|------------------|--|--|--|--|--|--|
| ACF/PLO 2.       | Students will outline and follow safety and <b>sanitation</b> practices.   |  |  |  |  |  |
| ACF/PLO 3.       |  |  |  |  |  |  |
| ACF/PLO 4.       |  | will outline and assemble the tools and products needed for an <b>organized</b> day.   |  |  |  |  |
| ACF/PLO 5.       |  | will obtain a letter of reference in order to demonstrate <b>professionalism</b> .     |  |  |  |  |
| ACF/PLO 6.       | Students   | will manage assigned tasks with little supervision,                                    |  |  |  |  |
|                  | demonsti   | rating <b>dependability</b> .  |  |  |  |  |
| ACF/PLO 7.       |  | will evaluate <b>performance</b> each week, outlining strengths and opportunities for  |  |  |  |  |
| ACF/PLO 8.       | Students   | will meet the criteria for production of a specific <b>product</b> or <b>service</b> . |  |  |  |  |
|                  |  |  |  |  |  |  |
|                  | 30   | Program Course Learning Outcomes (CLO's)   |  |  |  |  |
|                  |  |  |  |  |  |  |
|                  | Key: 3D  | <b>Core Course</b> Traditional Course Experience *Required TCE                         |  |  |  |  |

|                  |  |  |  |  |  |  |
| BAKD 0           | 301  | 1. Prepare and evaluate a variety of quick breads, muffins, bars and cookies using     |  |  |  |  |
| Baking 1         | TCE*   | the biscuit method, creaming method and muffin method.                                 |  |  |  |  |
|                  |  | 2. Prepare and evaluate a variety of yeast-leavened breads.                            |  |  |  |  |
|                  | 3. Prepare and evaluate a variety of pies, tarts and fillings.   |  |  |  |  |  |
| -                | BAKD 0302 1. Discuss the baking profession and historical background.  |  |  |  |  |  |
| Basic Pastry TCE |  | 2. Define the different stations in the pastry kitchen.                                |  |  |  |  |
|                  | 3. Prepare and evaluate the quality of pate choux products, creams, custards, puddings and related sauces, a variety of cakes, a variety of meringues, a |  |  |  |  |  |
|                  | variety of dessert sauces, hot and cold soufflés, prepared ice creams, sorbets and other frozen desserts.  |  |  |  |  |  |
|                  |  |  |  |  |  |  |

| BAKD 0303            | 1. Identify and use a variety of equipment and tools, including paper cornets,                                 |
|----------------------|--|
| Cakes and Cake Décor | piping bags, couplers, tips, cutters, food colors and florist wires.   |
| TCE                  | 2. Prepare a variety of cakes & buttercreams, utilizing different mixing methods.                              |
|                      | 3. Discuss and demonstrate the use of complementary colors and appropriate                                     |
|                      | designs based on themes and artistry.  |
| BAKD 0305            | 1. Define and describe the various types of chocolate.   |
| Candies and          | 2. Temper chocolate using the indirect, seeding and tabling methods.   |
| Chocolates TCE       | 3. Prepare and evaluate the quality of chocolate confections, chocolate display                                |
|                      | pieces, and various types of candies.  |
| CULD 0301            | 1. Identify foodborne illnesses, the causes of foodborne illnesses, and prevention                             |
| Sanitation           | of foodborne illnesses.  |
|                      | 2. Demonstrate good personal hygiene in the workplace.   |
|                      | 3. Demonstrate safety and sanitation procedures for equipment and facilities.                                  |
| CULD 0302            | 1. Demonstrate knife skills, hand tool and equipment operation, emphasizing                                    |
| Food I               | proper safety and sanitation techniques.   |
|                      | 2. Demonstrate mise en place, organization, sense of urgency and timing in a                                   |
|                      | professional kitchen.  |
|                      |  |
| CULD 0327            | 1. Define nutrients and explain the importance of nutrition.   |
| Nutrition TCE*       | 2. Recognize a nutritious meal using the five USDA food groups and the definition                              |
|                      | of nutrition density.  |
|                      | 3. Analyze a food diary and modify diet to reflect healthy choices.  |
| CULD 0303            | 1. Prepare and evaluate the quality of a variety of foods using the following                                  |
| Food II TCE          | methods: sauté, pan fry, deep fry, roast, bake, grill, broil, braise, stew, shallow                            |
|                      | poach, deep poach, simmer, boil, and steam.  |
| CULD 0304            | 1. Identify, describe, and prepare different types of stocks.  |
| Soups, Stocks and    | 2. Identify, describe, and prepare the grand sauces.   |
| Sauces TCE           | 3. Identify, describe, and prepare the two basic categories of soup.   |
| CULD 0305            | 1. Define, describe, identify, and prepare dairy-based sauces, salsas, coulis, and                             |
| Garde Manger*        | purees, and miscellaneous sauces; evaluate the quality of those sauces   |
|                      | 2. Describe a variety of cold soups such as vegetable and fruit soups, cream-style soups, and clear cold soups |
|                      | 3. Define, describe, prepare and evaluate the quality of hors d'oeuvres,                                       |
|                      | appetizers, and canapes and explain the importance of presentation and   |
|                      | garnishing for each  |
| CULD 0322            | 1. Prepare and serve dishes with emphasis on flavor, color, texture, moisture,                                 |
| Food III TCE         | temperature, appearance, and nutrition.  |
|                      | 2. Discuss healthy well-balanced entrees including vegetarian and vegan meals                                  |
|                      | and define the function of each component.   |
|                      | 3. Demonstrate food presentation techniques using a variety of plates, platters                                |
|                      | and trays; evaluate the quality of those plates, platters and trays.   |
| CULD 0324            | 1. Compare on and off site catering, the advantages and disadvantages of both,                                 |
| Banquets and         | understand the elements of and analysis of a successful operation, and to                                      |
| Catering TCE         | explore good personnel management.   |
| Satoring roll        | 2. Demonstrate an understanding of guest service and customer relations,                                       |
|                      | including handling of difficult situations, accommodations for the disabled,                                   |
|                      | ethnic and cultural needs  |
|                      | 3. Determine equipment needs, know how to acquire equipment, and how to  |
|                      | properly use the equipment needed in a catering operation - storing, packing                                   |
|                      | for transport, limitations of owning verses rental   |

Advisor

# 3D Program: Working Portfolio

Integrity • Improvement • Individuality

#### UA-PTC Institutional Learning Outcomes (ILO)

1. Analyze information from credible sources. (Information Literacy)

2. Appropriately apply a variety of technology tools within one's discipline. (Technology Literacy)

3. Communicate effectively with diverse audiences in multiple contexts. (Communication)

4. Apply critical thinking skills to achieve a desired goal. (Critical Thinking)

5. Use quantitative methods to solve problems. (Quantitative Reasoning)

6. Demonstrate awareness of cultural differences. (Cultural Awareness)

7. Demonstrate career readiness skills. (Professionalism)

#### 3D Program Learning Outcomes (PLO's)

Students will demonstrate the following by creating a *working portfolio*:

| IPSE/PLO A. | Students will demonstrate growth in <b>independent living skills</b> .<br>( <i>self-determination</i> ) |
|-------------|---|
| IPSE/PLO B. | Students will participate in an <b>academically enriched</b> environment. ( <i>academics</i> )          |
| IPSE/PLO C. | Students will be active <b>members of the college campus</b> .<br>(campus membership)                   |
| IPSE/PLO D. | Students will gain experience leading to competitive <b>employment</b> . (career development)           |

Within the first week of each semester, Students work with 3D Advisors to set learning goals and to provide insight into how their learning is best measured. A separate *Student Learning Contract* (3.c) is created based upon each course syllabus and shared with the corresponding Faculty. A *Student Self-Evaluation* (7.b) is completed each day in classes and in internships, from the beginning to the end of the program, to foster a sense of accountability and **integrity**.

Per the *Student Learning Contract*, a *Product and Service Evaluation* is completed by Faculty at midterm and again at the end of the semester (8). It is the responsibility of the Student throughout participation in the 3D Program to document growth and **improvement** by collecting additional artifacts in this portfolio accordingly. Students will meet with a 3D Advisor weekly to discuss their performance and opportunities for growth.

Upon enrollment and throughout participation, each Student participates in a meeting at which Supporters and Faculty discuss visions and goals with the Student. Students then create a *Person-Centered Plan* to be shared with Faculty and Employers (7.a). Students will also self-direct an *Individual Program of Study* (3.a), consisting of required courses along with those best suited to address desired skills. This approach reflects the **individuality** needed to help each Student reach personal goals.

# 3D Program Assessment Outline

The Culinary Arts and Hospitality Management Institute is committed to the integration of students with intellectual disabilities within all aspects of the college experience. When determining the amount and type of coursework expected, the individualized *Student Learning Contract* outcomes will be based upon critical key concepts as noted in the course syllabus and upon the Student's *Person-Centered Plan*. Once established, the *Contract* will be reviewed with the appropriate Faculty member. Unaltered course syllabi will be reviewed, and assignments will be changed as little as possible with an end goal of challenging yet attainable outcomes. Midterm and Final *Product and Service Evaluations* will be based upon the desired outcomes determined within the *Student Learning Contract*. While *Product and Service Evaluations* are one important component of program participation, each Student is required to collect artifacts as outlined throughout program participation to demonstrate continual career development.

## Self-Determination

- 1) Uniform Presentation and Inspections (100 points)
- 2) Safety and Sanitation Presentation and Inspections (100 points)

### Academics

- 3) Knowledge: Pages of Pride (100 points)
  - a. Four recipes with pictures
- 4) Organization: Pages of Pride (**100 points**)
  - a. Four mise en place plans and mise en place pictures

# **Campus Involvement**

- 5) Professionalism (100 points)
  - a. One resume
  - b. One letter of reference
- 6) Volunteer Experiences (100 points)
  - a. Two artifacts

# **Career Development**

- 7) Daily Performance Self-Evaluations (**300 points**)
  - a. 150 points for attendance, 150 points for performance
- 8) Product and Service Evaluation (100 points)
  - a. Two midterm observations

# A. 3D Program Portfolio Assessment: Self-Determination 1. Uniform (100 points)

**PLO.I:** Students will demonstrate job readiness by creating a working portfolio to address *self-determination* through evidence of uniform and safety/sanitation practices.

CLO.HOSD 0301 Demonstrate an understanding of the broad scope of career options in hospitality along with an overview of hospitality operations and standards.

# Uniform Inspection: \_\_\_\_\_ /50 points

| 50 points                          | 40 points                 | 30 points                             | 20 points  | 10 points   |
|------------------------------------|---------------------------|---------------------------------------|--|---|
| for demonstrating an understanding | the uniform<br>standards. | expectations for<br>demonstrating the | Below expectations<br>for demonstrating<br>the uniform<br>standards. | Did not demonstrate<br>an understanding of<br>the uniform<br>standards. |

Uniform Presentation: \_\_\_\_\_ /50 points

| 50 points                             | 40 points                                     | 30 points                             | 20 points   | 10 points  |
|---------------------------------------|---|---------------------------------------|---|--|
| for demonstrating an understanding of | for demonstrating<br>the learning<br>outcome. | expectations for<br>demonstrating the | Below expectations<br>for demonstrating<br>the learning<br>outcome. | Did not demonstrate<br>an understanding of<br>the learning<br>outcome. |

#### TOTAL: \_\_\_\_\_ /100 points

# A. 3D Program Portfolio Assessment: Self-Determination 2. Safety/Sanitation (100 points)

**PLO.I:** Students will demonstrate job readiness by creating a working portfolio to address *self-determination* through evidence of uniform and safety/sanitation practices.

#### CLO.CULD.0301:

- 1. Identify foodborne illnesses, the causes of foodborne illnesses, and prevention of foodborne illnesses.
- 2. Demonstrate good personal hygiene in the workplace.
- 3. Demonstrate safety and sanitation procedures for equipment and facilities.

#### Sanitation Inspection: \_\_\_\_\_ /50 points

| 50 points                               | 40 points                         | 30 points                             | 20 points                             | 10 points  |
|---|-----------------------------------|---------------------------------------|---------------------------------------|--|
| for demonstrating safety and sanitation | for demonstrating<br>the learning | expectations for<br>demonstrating the | r r r r r r r r r r r r r r r r r r r | Did not demonstrate<br>an understanding of<br>the learning<br>outcome. |

#### Sanitation Presentation: \_\_\_\_\_ /50 points

| 50 points                                   | 40 points                                     | 30 points                             | 20 points         | 10 points  |
|---|---|---------------------------------------|-------------------|--|
| for demonstrating an understanding of types | for demonstrating<br>the learning<br>outcome. | expectations for<br>demonstrating the | for demonstrating | Did not demonstrate<br>an understanding of<br>the learning<br>outcome. |

#### TOTAL: \_\_\_\_\_ /100 points

# B. 3D Program Portfolio Assessment: Academic Enrichment 3. Knowledge: Pages of Pride (100 points)

**PLO.II:** Students will demonstrate job readiness by creating a working portfolio to address *academic enrichment* through evidence of knowledge and organization.

Student artifacts for section 3 will originate from various 3D Core Courses and Traditional Course Experiences. Artifacts may include recipes, techniques, pictures, videos, special recognition, newspaper clippings, written reports, or anything else that demonstrates a skill you are proud to have learned.

#### Knowledge: 25 points per artifact

| 25 points  | 20 points  | 15 points  | 10 points  | 5 points  |
|--|--|--|--|---|
| Exceeds expectations for an<br>artifact that demonstrates<br>awareness, knowledge, selection<br>and use of terminology,<br>ingredients and skills, principles<br>and concepts. | Meets<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Approaching<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Below<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Did not<br>demonstrate an<br>understanding<br>of the learning<br>outcome. |

#### Describe Pages of Pride Included:

| 10 - | 107 | 107 | 10 7 |
|------|-----|-----|------|
| /25  | /25 | /25 | /25  |
|      |     |     |      |

#### TOTAL: \_\_\_\_\_ /100 points

# B. 3D Program Portfolio Assessment: Academic Enrichment 4. Organization: *Pages of Pride* (100 points)

**PLO.II:** Students will demonstrate job readiness by creating a working portfolio to address *academic enrichment* through evidence of knowledge and organization.

Student artifacts for section 4 will originate from various 3D Core Courses and Traditional Course Experiences. Artifacts may include photos of workstation organizations, videos of the student working, written reports, or anything else that demonstrates an understanding of the importance of organization.

#### Organization: 25 points per artifact

| 25 points   |             | 20 points  | 15 points  | 10 points  | 5 points  |
|---|-------------|--|--|--|---|
| Exceeds expectations for an<br>artifact that demonstrates an<br>understanding of system, sens<br>urgency, preparedness, workin<br>clean, and following directions | e of cong t | Meets<br>expectations for<br>demonstrating<br>the learning<br>putcome. | Approaching<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Below<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Did not<br>demonstrate an<br>understanding<br>of the learning<br>outcome. |

#### Describe Pages of Pride Included:

| /25 | /25 | /25 | /25 |
|-----|-----|-----|-----|

#### TOTAL: \_\_\_\_\_ /100 points

# C. 3D Program Portfolio Assessment: Campus Involvement **5. Professionalism: References (100 points)**

**PLO.III:** Students will demonstrate job readiness by creating a working portfolio to address *campus involvement* through evidence of professionalism and dependability.

Student artifacts for section 5 will originate from various 3D Core Courses and Traditional Course Experiences. Artifacts should include your resume and a letter of reference from an individual with whom you have worked during your 3D experience.

#### Professional References: 50 points per artifact

| 50 points   | 40 points  | 30 points  | 20 points  | 10 points   |
|---|--|--|--|---|
| Exceeds expectations for<br>professionalism as evidenced by<br>the supporting reference letter<br>and resume. | Meets<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Approaching<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Below<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Did not<br>demonstrate an<br>understanding<br>of the learning<br>outcome. |

#### Request for Letter of Reference:

Hello!

You have been an important part of my journey, and I wonder if you would be willing to write a letter of reference to describe our experiences together. The letter will be turned in as part of my working portfolio for the 3D Program, and I hope to share it with future employers. I appreciate you taking your time to write a special letter for me. If you are willing, you can send it to me at:

Thank you,

TOTAL: \_\_\_\_\_ /100 points

# C. 3D Program Portfolio Assessment: Campus Involvement 6. Dependability: Volunteering (100 points)

**PLO.III:** Students will demonstrate job readiness by creating a working portfolio to address *campus involvement* through evidence of professionalism and dependability.

Student artifacts for section 6 will originate from various volunteer experiences. Artifacts should demonstrate student dependability during participation in two separate experiences. Students can demonstrate their participation with a picture, a menu, a newspaper clipping, or any other artifacts that show the breadth and depth of the social experience.

#### Volunteer Experiences: 50 points per artifact

| 50 points   | 40 points  | 30 points  | 20 points  | 10 points   |
|---|--|--|--|---|
| Exceeds expectations for an<br>artifact that demonstrates an<br>understanding of dependability in<br>the workplace, arriving early,<br>checking work, assisting others,<br>and staying productive always. | Meets<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Approaching<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Below<br>expectations for<br>demonstrating<br>the learning<br>outcome. | Did not<br>demonstrate an<br>understanding<br>of the learning<br>outcome. |

#### Volunteer Experiences Include:

#### TOTAL: \_\_\_\_\_ /100 points

# D.3D Program Portfolio Assessment: Career Development 7. Performance: Self -Evaluations (300 points)

**PLO.IV:** Students will demonstrate job readiness by creating a working portfolio to address *Career Development* through evidence of high quality performance and product.

Student assessments for section 7 will be completed daily and reviewed weekly in advising meetings. Students receive 10 points per week for attendance, and 10 points per week for performance. The advisor will work with the student to review self-evaluations to make a determination of the appropriate grade.

| Performance Self-Evaluations ( <b>300 points</b> ) | Attend | Perform | Attend | Perform |
|--|--------|---------|--------|---------|
| Week 1   |        |         | 10     | 10      |
