ABOUT THE TRAINING

The UA-PTC H-VOLT (High Voltage Lineman Training) Academy is a certified power line worker training program designed to provide quality education along with real-world, hands-on instruction to those seeking careers as electrical power line workers. Individuals gain the knowledge and skills needed to install, repair, service, and maintain electrical power lines and supporting equipment.

TRAINING TOPICS

- Electrical circuits and theory
- Safety
- Aerial framing
- Transformers
- Testing equipment
- Construction
- Maintenance
- Troubleshooting
- Pole climbing and testing
- Equipment maintenance
- Pole top rescue

NATIONAL CENTER FOR CONSTRUCTION EDUCATION AND RESEARCH (NCCER) CREDENTIAL

The customized training program will equip students with the industry specific skills for entry level employment, including an industry-recognized National Center for Construction Education and Research (NCCER) credential.

ENROLLMENT REQUIREMENTS

To enroll in training you must:

- Be a high school/GED grad & at least 18 years of age by the first day of class
- Hold a valid driver's license
- Hold a CRC (Career Readiness Certificate)
- Pass the height aversion test, drug screen, and background check

COURSE SCHEDULE

Classes will be held Monday, Tuesday, Wednesday, and Thursday evenings from 5:30 - 10 p.m. and every Saturday from 8 a.m. - 4 p.m. for approximately 17 weeks at the UA-PTC Business and Industry Center located at 3303 East Roosevelt Road in Little Rock.

EMPLOYMENT

Graduates may obtain employment in the field of electrical power line work with one of our partners: OGE Energy Corporation, Southwestern Electric Power Company, Electric Cooperatives of Arkansas, Chain Electric, Entergy, North Little Rock Electric, Utility Lines Construction Services, 1st Choice Utility Construction.
