All UA-PTC program completers must pass the National Board Certification in Occupational Therapy (NBCOT). This certification is recognized in all states. Additional requirements such as applications, fees, background checks, transcripts, etc. may apply for licensure in Virginia and each state board has the ultimate authority to grant licensures. A felony conviction may affect a graduate's ability to sit for the NBCOT Certification Examination or attain state licensure. Visit the American Occupational Therapy Association (AOTA) State Licensure webpage ( <a href="https://www.aota.org/Advocacy-Policy/State-Policy/Licensure/How-To.aspx">https://www.aota.org/Advocacy-Policy/State-Policy/Licensure/How-To.aspx</a> ) before enrolling in the program.
