

UA-PTC Radiography Program

Program Level	Program Name	Modality	State	Agency Name	Website URL	UA-PTC Program Contact Information	Disclosure
AAS	Allied Health - Radiography Option	Traditional	Alabama	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Alabama state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Alaska	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Alaska state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Arizona	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Arizona state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	California	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for California state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.

UA-PTC Radiography Program

Program Level	Program Name	Modality	State	Agency Name	Website URL	UA-PTC Program Contact Information	Disclosure
AAS	Allied Health - Radiography Option	Traditional	Colorado	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Colorado state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Connecticut	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Connecticut state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Delaware	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Delaware state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	District of Columbia	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for District of Columbia state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.

UA-PTC Radiography Program

Program Level	Program Name	Modality	State	Agency Name	Website URL	UA-PTC Program Contact Information	Disclosure
AAS	Allied Health - Radiography Option	Traditional	Florida	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Florida state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Georgia	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Georgia state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Hawaii	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Hawaii state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Idaho	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Idaho state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.

UA-PTC Radiography Program

Program Level	Program Name	Modality	State	Agency Name	Website URL	UA-PTC Program Contact Information	Disclosure
AAS	Allied Health - Radiography Option	Traditional	Illinois	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Illinois state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Indiana	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Indiana state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Iowa	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Iowa state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Kansas	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Kansas state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.

UA-PTC Radiography Program

Program Level	Program Name	Modality	State	Agency Name	Website URL	UA-PTC Program Contact Information	Disclosure
AAS	Allied Health - Radiography Option	Traditional	Kentucky	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Kentucky state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Louisiana	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Louisiana state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Maine	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Maine state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.
AAS	Allied Health - Radiography Option	Traditional	Maryland	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Once a student has successfully completed the program, he/she is eligible to take the American Registry of Radiologic Technologists (ARRT) certification exam. UA-PTC cannot determine if this program meets the requirement for Maryland state licensure/employment. Please check the asrt.org website for additional information regarding licensure before enrolling in this program.

UA-PTC Radiography Program

Program Level	Program Name	Modality	State	Agency Name	Website URL	UA-PTC Program Contact Information	Disclosure
AAS	Allied Health - Radiography Option	Traditional	Massachusetts	American Society of Radiologic Technologists	https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure	Talayia Johnson, Dean of Science, Math, and Allied Health Email: tajohnson@uaptc.edu Phone: 501-812-2286	UA-PTC's Associate of Applied Science in Allied Health, Radiography track is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT).
