NOTE: Under this agreement, eligibility in the UAMS Bachelor of Sciences in Cardio-Respiratory Care Degree-Completion program requires applicant must have earned the UA-PTC AAS degree in Respiratory Care. Also a UAMS requirement stipulates the applicant must have a current NBRC RRT credential (or completion within 6 months from graduation if the student is a new graduate). UAMS requires any applicant to this program must have a current NBRC RRT credential (or completion within 6 months from graduation if the student is a new graduate). If not completed within 6 months from graduation, the student will be allowed to complete the semester they are currently enrolled (fall), but will not be allowed to enroll in the next (spring) academic term or future academic terms until the NBRC RRT credential is received.
