

UNIVERSITY OF ARKANSAS
PULASKI TECHNICAL COLLEGE
Foundation

Your Annual Gift Changes Lives of Students!

You can change the life of a student at UAPTC who needs you to help realize their dream of a college degree. Every semester, 4,000 or more students enroll at UAPTC with the goal of earning an associate degree and contributing to the workforce, or earning an associate degree and transferring to a four-year college or university to earn an undergraduate degree.

Our students average 26 years of age. They often realize the need for continued education after graduating from high school and trying to get ahead in the workforce. Many are employed full or part-time and are caring for children while working toward their diploma. In fact, 61% of our students rely on income-based financial aid to attend college. Many students overcome challenges of unreliable or no transportation, low incomes, working and going to school and family demands to pursue their educational goals. Your gift to

UAPTC raises important funds for scholarships, student resources, facility improvements and arts programming. **Your company will realize significant marketing benefits all year long through a partnership with UAPTC Foundation—and you will change lives of students.**

Because of you, Peyton will realize her dream of a college degree. Peyton enrolled at UAPTC last year. She dropped out of high school during COVID-19. She moved out of her mother's house and lived with her boyfriend. She was pregnant with their daughter, Paisley, now nine years old, when her boyfriend died of an accidental drug overdose. She grieved, cared for Paisley and worked as a waitress and as a secretary. She earned her GED, enrolled at UAPTC with the help of scholarships and financial aid and is on track to graduate next spring with honors. She will earn her undergraduate degree in nursing, hopefully from UA-Little Rock.

Your generosity changes life of Peyton and her child. One day, Peyton may provide care for you or your family when she becomes a nurse, giving back to others in our community.

Your support is an important part of changing lives of Peyton and students like her who rely on you to realize their dreams. Your gift will help a student earn their college degree, forever changing his or her life and our economy for better.

Thank you for being part of changing lives and improving our economy!

DIAMOND LEVEL FRIEND OF UAPTC
