## **Finding Articles in ProQuest One Business**

**ProQuest One Business** is a large business database that designed to support the unique needs of business professionals including entrepreneurs, accountants, and academic faculty and students.

To get to ProQuest One Business start on the UA-PTC Libraries homepage: <u>http://www.uaptc.edu/library</u>.

- Click on the Databases button.
- Select ProQuest One Business from the alphabetical list.

ProQuest One Business opens to a Basic Search screen with a single search box.

Let's look for articles on price elasticity.

Type the topic, **price elasticity**, in the search box. Put this term in **quotation marks** to tell the database that you want to search for the entire phrase and not just the individual words. Then click the **Search** button.
