Addendum #1
RFP-25-008 | Website Hosting

Date: December 4, 2024
To: RFP Respondents
From: Amanda Kennedy
Director of Procurement
Subject: **Additions added for Scope of Work**

The University of Arkansas – Pulaski Technical College needs to add additional information to support the scope of work needed to meet the needs of the contract. The additions are as follows:

- Demonstrate expertise with server configuration, template creation in Sitefinity, module customization, migration plan, content entry, etc.
- Demonstrate proficiency in developing and implementing websites using Sitefinity that provide a strong user interface, excellent navigation, responsive design, and intuitive content that can be leveraged for SEO and data analytics purposes.
- The development partner will provide UA-PTC with 20GB of hosting space for files not housed in the CMS. The web space will be accessible by UA-PTC’s Webmaster via file transfer protocol (FTP).

This specification by virtue of this addendum becomes a permanent addition RFP-25-008 | Website Hosting. FAILURE TO RETURN THIS SIGNED ADDENDUM MAY RESULT IN REJECTION OF PROPOSAL.
