

General Policy Information for UA-PTC Facility Usage

Please read and review ALL policies. After completing the Rental and Catering applications, please print this page for your records.

Everyone reserving a space must submit a rental application and catering application (if applicable) to UA-PTC Conference Services at least 3 weeks prior to the requested date. All required forms must be completed and submitted before a reservation can be confirmed.

- UA-PTC facilities are reserved first and foremost for educational use. If facilities are available for rental, priority will be given to faculty, staff, and current students.
- All events or activities must conform to federal and state laws. Failure to follow federal and/or state laws as well as UA-PTC policies and procedures may result in denial of future usage for a period of time.
- The UA-PTC Police and other appropriate college officials will determine if or how much security will be provided for any event and the sponsor/contact for the event will be billed for security services.
- All events requiring food service MUST utilize the UA-PTC Catering Services unless an exception has been granted prior to event date and a copy of such has been supplied to the Conference Services office.

Due to Arkansas Department of Health regulations of proper temperature and storage controls, food and/or beverage may not be removed from the facility following your catered event. It is the host's responsibility to convey this message to all event guests.

- Tobacco products (including vapor and e-cigarettes) and the possession/use of firearms is strictly prohibited with exception of Enhanced Concealed Carry permit. Alcohol is not allowed anywhere on campus unless permission has been granted by the UA-PTC Chancellor's office. [UA-PTC Alcohol Policy](#)
- All areas on campus are subject to capacity restrictions as determined by the Fire Marshall and the University of Arkansas – Pulaski Technical College. Failure to comply with the posted capacities may result in termination of your event and/or non-acceptance of future reservations.
- All customers reserving facilities will be billed for all direct costs (including, but not limited to rent, catering fees, cleaning service fees, security fees, etc.) unless an exception has been granted prior to event date and a copy of such has been supplied to the Conference Services office.
- Customer assumes the responsibility for paying the actual cost of any and all repairs and/or replacement of any furniture or fixtures damages as a result of their use. This includes (but is not limited to) removal of gum, food, and drink or other repairs to the carpet, walls, or furniture damaged by the customer.
- The customer assumes all responsibility and liability for losses (personal and/or property, real and/or intrinsic), and will hold the University of Arkansas – Pulaski Technical College (UA-PTC) harmless in all claims arising out of this agreement. The customer agrees to protect UA-PTC at customer's expense in any legal action brought as a result of the group's action in connection with this agreement and shall assume any and all risks associated with voluntary participation in this activity. Customer also acknowledges that a) guest's participation in this event is strictly voluntary; b) entering and exiting UA-

PTC facilities could result in injury due to uneven terrain, falls and other types of occurrences; and c) UA-PTC does not provide insurance for any events and shall not be liable for injuries that occur. **[State agencies/universities are not required to indemnify UA-PTC].**

- Any event that has alcohol being served, the Customer will be required to have liability insurance. The College should be included in the policy rider as an additional insured and be given a copy of the certificate to Conference Services before your event. The certificate should be for \$1,000,000. **[Not applicable to other state agencies/universities/UA-PTC departments].**
- Customer will be held responsible for any missing or damaged equipment that has been made available for their use. You will be charged the full replacement cost plus any shipping/handling charges incurred for any item that may become lost, stolen or damaged in part or whole.
- If there are any problems with the facility (mechanical, plumbing, A/C, etc.) customer will notify the Conference Services office immediately. Facility will be subject to damage and clean-up inspection after each event. Charges may be assessed to the group if the area does not have a satisfactory inspection.
