Emmersion (WebCAPE) Placement Exam

The Spanish Emmersion (WebCAPE) Placement Exam uses state-of-the-art computer testing techniques to accurately and efficiently place students into Spanish language courses. As an adaptive exam, WebCAPE selects each test item as a result of the answer to the previous question. When the student answers an item correctly, a more difficult question is presented; if an item is answered incorrectly, an easier question is given. Scores are reported on a scale from 0 to 426.

The following tables represent the current exams available and accepted at UA-PTC.

Spanish WebCAPE Exam score:	You should enroll in:
0-269	SPAN 10103: Elementary Spanish I
270-345	SPAN 10203: Elementary Spanish II
346-426	SPAN 20103: Intermediate Spanish I
