UNIVERSITY OF ARKANSAS PULASKI TECHNICAL COLLEGE

Emmersion (WebCAPE) Placement Exam

The Spanish Emmersion (WebCAPE) Placement Exam uses state-of-the-art computer testing techniques to accurately and efficiently place students into Spanish language courses. As an adaptive exam, WebCAPE selects each test item as a result of the answer to the previous question. When the student answers an item correctly, a more difficult question is presented; if an item is answered incorrectly, an easier question is given. Scores are reported on a scale from 0 to 426. The University of Arkansas-Pulaski Technical College (UA-PTC) may award college credit for select exams if a student earns a minimum passing score.

UA-PTC accepts, evaluates, and awards credit through our Prior Learning Assessment Policy. The full policy can be reviewed online at www.uaptc.edu/pla.

An official score report must be submitted to the UA-PTC Records Office in order to be evaluated for credit. **Credit will not be awarded without an official score report.** Additionally, credit can only be awarded to students who are enrolled at the institution.

The following tables represent the current exams available and accepted at UA-PTC. The table also reflects the minimum score required on each exam to earn credit.
